Refund Policy

Please note that submitting the admission fee does constitute enrolling in the program and the below cancellation penalties will be applied. If you are unable to attend your program, please review our dropout, and refund policies below.

- Dropout requests received within 7 days of enrollment and more than 42 days prior to the commencement of the program will incur no fee. Any payment received will be refunded in full.
- Dropout requests received more than 42 days prior to the program but more than 7 days after the acceptance are subject to a cancellation fee of 250USD.
- Dropout requests received 22-41 days prior to the commencement of the program are subject to a cancellation fee equal to 50% of the program fee.
- Any dropout requests received fewer than 22 days prior to the commencement of the program are subject to a cancellation fee equal to 100% of the program fee.
- No refund will be made to those who do not engage in the program or leave before completing a program for which they have been registered.

Note -

- This cancellation fee is the cost incurred to reserve your seat for the cohort as we have limited cohort sizes for faculty to conduct the live sessions. This also includes the cost incurred in processing your application, program office support for the period of enrollment, and the banking transaction fees involved in processing the refund.
- We encourage applicants to have their funding approved by their company/institution (if applicable) prior to enrolling.
- In case of personal/professional exigency, please reach out to the Program Office.
