Technology Requirement

TECHNOLOGY REQUIREMENT

Students who have enrolled in the Applied Data Science Program are required to have a laptop/desktop that meets the following specifications:

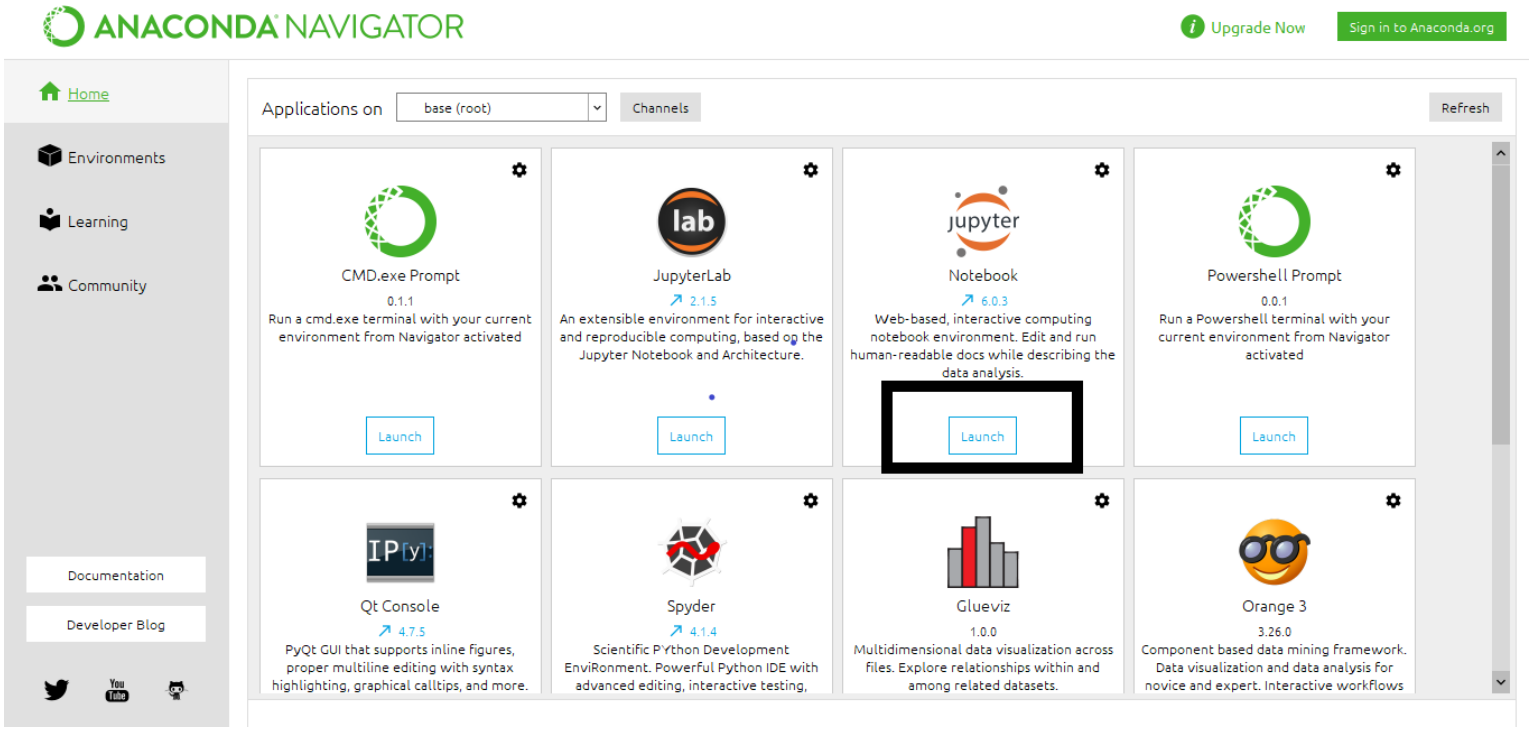

Laptop Requirements:

- Operating System: Windows 7 or higher / Mac OS/ Linux
- RAM: 4 GB or higher for better multitasking and analysis of large size data
- Processor: 1.5 GHz or greater for faster processing (i5 or higher)
- Video Card: Integrated graphics card or a better GPU would be ideal but not necessary

SOFTWARE INSTALLATION

Procedure for Anaconda Navigator Installation

. Go to this link - https://www.anaconda.com/products/individual
. Click on the download button and choose the file based on your operating system (64-Bit Graphical Installer for both Windows and macOS).
. On click, it will start to download, and when downloaded double click on the downloaded file to start the installation.
. Once the installation is completed, open the Anaconda Navigator and launch Jupyter Notebook.
